COMMISSION DELEGATED REGULATION (EU) 2019/2018

|                                                                                                                                              |                        |
|----------------------------------------------------------------------------------------------------------------------------------------------|------------------------|
| Model identifier:                                                                                                                            | MDC1290BB              |
| Supplier's name or trademark:                                                                                                                | Scancool               |
| Use:                                                                                                                                         | Display and sale       |
| Type of refrigerating appliance with a direct sales function:                                                                                | 4. Supermarket cabinet |
| Cabinet family code, according to the harmonised standards or other reliable, accurate and reproducible methods in accordance with Annex IV. | IVC4                   |

## General product parameters:

### 1. Beverage coolers\*

|                                     |  |                                                        |                       |
|-------------------------------------|--|--------------------------------------------------------|-----------------------|
| Total volume (dm <sup>3</sup> or L) |  | Ambient conditions for which the appliance is suitable |                       |
|                                     |  | Warmest Temperature (C)                                | Relative humidity (%) |
|                                     |  |                                                        |                       |

### 2. Ice-cream freezers with (transparent lid/non-transparent lid)\*

|               |     |                                                        |         |                       |         |
|---------------|-----|--------------------------------------------------------|---------|-----------------------|---------|
| Net volume, L | 764 | Ambient conditions for which the appliance is suitable |         |                       |         |
|               |     | Temperature Range (°C)                                 |         | Relative humidity (%) |         |
|               |     | Minimum                                                | maximum | minimum               | maximum |
|               |     |                                                        |         |                       |         |

### 3. Gelato-scooping cabinet

|                                      |  |                   |  |
|--------------------------------------|--|-------------------|--|
| Total Display Area (m <sup>2</sup> ) |  | Temperature class |  |
|--------------------------------------|--|-------------------|--|

### 4. [Integral/Remote] [horizontal/vertical (other than semi-vertical)/semi-vertical/combined] supermarket cabinet, roll-in\*: [yes/no]:

|                                      |      |                   |    |
|--------------------------------------|------|-------------------|----|
| Total Display Area (m <sup>2</sup> ) | 3,14 | Temperature class | M1 |
|--------------------------------------|------|-------------------|----|

### Type of refrigerating appliance

|                           |      |                                                            |   |
|---------------------------|------|------------------------------------------------------------|---|
| Annual energy consumption | 2143 | Recommended temperature(s) for optimised food storage (°C) |   |
| EEl                       | 12,3 | Energy efficiency class                                    | B |

### Light source parameters:

|                                                                    |     |
|--------------------------------------------------------------------|-----|
| Type of light source                                               | LED |
| Energy efficiency class (for the light source)                     | G   |
| Minimum duration of the guarantee offered by the supplier, (month) |     |

## Technical documentation

Model identifier:

MDC1290BB

### General product specifications:

|                                  |      |                                            |      |
|----------------------------------|------|--------------------------------------------|------|
| Annual energy cons. kWh/a        | 2143 | Standard annual energy consumption (kWh/a) | 2143 |
| Daily Energy Consumption, kWh/24 | 5,87 | Ambient Conditions                         | Set1 |
| M                                | 9,1  | N                                          | 9,1  |
| Temperature Coefficiency (C)     | 1,15 | Y                                          | 3,14 |
| P                                | 1,1  |                                            |      |
| Climate Class Factor (CC)        |      | Target Temperature (Tc) (C)                | 5    |
