Product Family: Stainless Steel Trolleys

Stainless Steel Serving Trolley 88 x 58 cm with 2 levels

The Stainless Steel Serving Trolley is designed for efficiency and durability, making it ideal for use in restaurants, hotels, and catering services. This trolley features a robust tubular frame made from 1.5 mm thick stainless steel, ensuring stability and longevity even in demanding environments. With a total maximum load capacity of 250 kg, each level supporting up to 80 kg, this trolley allows for versatile storage and transport of food and supplies. For added flexibility, the trolley is also available with polyamide casters.
